1	Interview with Professor Connor	100% A,C	5/30/2017	5/30/2017																							
2	Research emergencies in homes	100% A,C	5/30/2017	5/30/2017																							
3	Benchmark other products on the market	100% Z1,A	5/30/2017	5/31/2017																							
4	Decide between camera or smart lighting method	100% ALL	5/31/2017	5/31/2017																							
5	Determine main functions of device	100% ALL	5/31/2017	5/31/2017																							
6	Assign subsystems to group members	100% ALL	5/31/2017																								
	Borrow & Purchase necessary hardware	100% Z2	6/1/2017																								
	Determine tech specifications	100% A	6/1/2017																								
	Write network communication module	100% C	6/1/2017																								
_	Write memo	100% ALL	6/1/2017																							$\perp \perp$	
	Slides for presentation 1	100% ALL	6/1/2017										Ш													$\perp \perp$	
	Write iPhone App	100% Z1	6/1/2017										ш				Ш									$\perp \perp$	\bot
	Write functional programs	100% D	6/1/2017										ш				Ш		Ш							$\perp \perp$	\perp
	Slides for presentation 2	100% ALL	6/1/2017										Ш													$\perp \perp$	
	Build circuits	100% Z2	6/3/2017																							$\perp \perp$	
	Build model (for presentation 2)	100% A,Z2	6/5/2017																							$\perp \perp$	
17	Write iPhone communication module	100% C	6/10/2017																							$\perp \perp$	
	Practice presentation 1	100% ALL	6/11/2017																							$\perp \perp$	
	Build data Structure	100% D	6/12/2017																							$\perp \perp$	
_	Install circuits and model	100% A,Z2	6/17/2017																							$\perp \perp$	
21	Collect data	100% Z2,D	6/17/2017																								
22	Write final report	100% ALL	6/17/2017																								
23	Test wireless module	100% C	6/18/2017	6/21/2017																							
24	iPhone App Test	100% Z1	6/18/2017																								
25	Test Hardware	100% A,Z2	6/19/2017																								
	Test functional programs	100% D	6/21/2017																								
	Test final model	100% ALL	6/23/2017																								
28	Practice presentation 2	100% ALL	6/25/2017	6/26/2017
